

Training Quality Standard Assessment Services

Granting, Maintaining and Extending Certification

TQS Assessment Services are licensed by the Learning and Skills Council (LSC) to undertake assessment against the Training Quality Standard.

Granting and Maintaining

TQS Assessment Services provide an assessment service for all organisations that meet the eligibility criteria for the Training Quality Standard. We do not discriminate or select applicants on the basis of size, geography, nature of service delivery or diversity of service provision.

TQS Assessment Services will not restrict certification against the Training Quality Standard. Organisations that meet the requirements as laid down by the Learning and Skills Council within the Training Quality Standard will be certified as holders of the Standard.

Surveillance Programme

To maintain your certification you are required to complete an annual surveillance programme.

Please refer to 'Surveillance Policy' for further details.

Extending or Reducing Scope of Certification

Holders of the Training Quality Standard are required to inform TQS Assessment Services should they wish to extend or reduce the scope of their certified organisation. Each organisation wishing to do this will be reviewed individually and may require further assessment to demonstrate that the requirements of the Training Quality Standard. TQS Assessment Services will advise the Owner of the Standard of any potential alterations to the scope which result in non compliance.
